Extract of remarks by the Official Visitors of the Lunatic Asylum met on 5-8-1916.

****

The rules under which the Official Visitors were appointed have been replaced by Regulation I of 1916 and under section 25 of that Regulation the Government have to appoint Visitors. The appointments made under the rules of 1874 do not seem to be saved by anything in the Regulation; section 70 refers to particular orders and undertakings only. It is therefore desirable that the appointments should be made early and before the 1st of September.

To satisfy the provision of section 26 atleast one Medical Officer should be present at the inspection, but none is here to day. The list of visitors should include a sufficient number of Medical Officers to the presence of atleast one at every monthly meeting.
